PROFESSIONAL EXPERIENCE

UI/UX Designer & Creative Lead

Maazster Tech Next-GenX Private Limited

June 2026 - Present

- Designed responsive web and mobile interfaces from initial concepts to high-fidelity UI using Figma.
- Created wireframes, user flows, prototypes, and reusable UI components to support user-centered product development.
- Designed corporate brochures, company profiles, quotations, presentations, and MoU documents while maintaining a consistent visual identity.
- Conducted design reviews for the team's UI work and guided interns on visual hierarchy, layout consistency, and branding standards.

UI/UX Designer Intern

Maazster Tech Next-GenX Private Limited

Dec 2025 - May 2026

- Designed responsive web and mobile interfaces using Figma.
- Created wireframes, user flows, prototypes, and high-fidelity interface designs for client requirements.
- Contributed to branding and marketing communication through visual design assets.
- Collaborated with senior team members to maintain design consistency and improve user experience.

SELECTED PROJECTS

- Zavil UI/UX Portfolio:** Designed and developed a production-ready UI/UX portfolio showcasing case studies, projects, and professional branding. Designed the complete user experience in Figma before developing the platform using Next.js 15, TypeScript, Tailwind CSS, and Framer Motion, followed by deployment on Vercel.
- Food Delivery App – Concept Project (Self-Directed UI/UX Case Study):** Redesigned the navigation and ordering flow of a food delivery application through heuristic evaluation, user flows, wireframing, prototyping, and high-fidelity interface design, with the goal of simplifying common usability pain points in the ordering journey.
- Maazster Tech Corporate Communication & Brand Assets:** Designed brochures, company profiles, quotations, presentations, and MoU documents while maintaining a consistent visual identity across business communication materials.

LEADERSHIP EXPERIENCE

Co-Founder & Editor-in-Chief

Editorial Committee, Integral University (ECIU)

Jul 2024 – Jun 2026

- Co-founded the university's Editorial Committee and led the creative direction of the official publication.
- Oversaw editorial planning, publication layouts, and coordinated writers, designers, and photographers.

Chief Coordinator – Fiesta

Technical Committee, Integral University

Feb 2024 – Feb 2026

- Led technical coordination and designed event creatives, banners, and promotional materials.
- Managed a team of 100+ student coordinators and volunteers during the university's flagship annual event.

EDUCATION

Aug 2022 - June 2026

Bachelor of Technology (Computer Science & Engineering)

Integral University, Lucknow, India.
